30th April
2018

Increase Productivity with
the E346 Tool Presetter

The E346 benefits from Non-contact measurement of tools which prevents damage to cutting tools and machine spindles as well as next job pre-planning and tool setting which are done whilst machines are still producing, significantly reducing down time!

The E346 comes complete with:

- ✓ Base
- ✓ Cutting Edge Inspection
- ✓ Label Printer Compatible

From
£1,000
per month*
